

**TOWN OF CLINTON
NOTICE OF PUBLIC HEARING**

On Wednesday, April 1, 2020 at 3:00pm, the Clinton Community and Economic Development Office (CEDO) will hold a public hearing on behalf of the Board of Selectmen. This hearing's purpose is to discuss proposed amendment to the Town's FY 2017 Community Development Block Grant (CDBG). Proposed amendment would re-allocate a portion of funds in the FY17 Commercial Property Improvements Program (CPIP), with the purpose of creating a new program to provide short-term financial assistance to small business and/or micro-enterprises. The intent of the re-allocation is to mitigate disruptive impacts of the Covid-19 health crisis on eligible Clinton-based businesses.

Due to the closure of Clinton Town Hall, and in compliance with directives and recommendations of the COVID-19 State of Emergency, alternative public access shall be available in real time and on-line via ZOOM (meeting ID: 943-886-704). Any person or organization participating in the live on-line session will be afforded an opportunity to be heard. Suggestions for other activities that respond to urgent local needs are welcome. Comments may be made via email to the CEDO prior to or during the hearing. The Town encourages participation of residents and other interested parties.
