This meeting is set for Central Park to allow for social distancing.

Should the weather be inclement, we will move the meeting to the Holder Memorial, 210 Church Street where we will also adhere to the guidelines necessary during this Covid pandemic.

Our goal is to discuss re-organization for the Fall and the possibility of new Co-Chairs taking over for the fall of 2020.

This meeting is being held due to the fact that our last scheduled meeting for July 15th was cancelled due to lack of quorum.
