**Steve Lipka- Board of Health Chairman COVID 19 State Reopening Plan**

Chairman Connolly invited the members of the Board of Health forward for discussion regarding the response to the COVID-19 Coronavirus. Health Agent Tom Bonci reviewed with the board the report from the Town Nurse regarding cases in the community, to date there have been 225 total. With 43 remaining under monitoring and 182 are out of quarantine. There have been no new cases reported over the last two days. Mr. Lipka explained he was before the board to provide an update on reopening, the Governor has set forth a phased plan for reopening. Not all guidelines have been released yet. As of Monday, the recommendation to reopen the town buildings. He reviewed these buildings include the Library, Senior Center, Town Hall and the Park & Recreation. He encourages anyone with questions to please contact the Board of Health office or log on to the state website [www.mass.gov/reopenMassachusetts.com](http://www.mass.gov/reopenMassachusetts.com) Chairman Connolly explained there is discussion later in the agenda regarding the town meeting location and establishment of guidelines to follow for the event. He asked if Mr. Lipka and the department will be available to help out with establishing the guidelines. Mr. Lipka explained either location is fine, or they will work with the board and Moderator. Mr. Bonci agreed explaining they absolutely will participate. Chairman Connolly asked for the Board of Health's input on guidelines on how to operate. Selectman Dziokonski asked if the reopen date is set for Monday, June 8<sup>th</sup>. Mr. Lipka stated yes. Selectman Dziokonski explained he is aware the retail stores and restaurants are approved to reopen on that date also but the guidelines have not been released yet. Mr. Lipka explained yes, they are expected any day now and the plan is for the department to share them with all the businesses. They are aware one recommended guideline is 40% occupancy of restaurants. Selectman Devault asked if

masks will be part of the guidelines set for the town buildings. Mr. Lipka explained yes that is the recommended along with following social distancing guidelines definitely.

### **Matt Kobus – Fuller Field Discussion**

Chairman Connolly explained Mr. Kobus is unable to attend this evening as requested. He thought there would be a letter from the Fuller Field Commission but one has not been received.

### **Jay Meyers/ Bob Verney SQ Causeway- Cannabis Transportation Company**

Chairman Connolly acknowledged Mr. Meyer and Mr. Verney who were in attendance of the meeting via zoom. Mr. Meyers thanked the board for having them, he stated he and Mr. Bob Verney were before the board to discuss SQ Causeway a cannabis transport company. He explained they submitted a packet of materials to the board with information explaining the business proposal. Mr. Verney is the CEO of SQ Causeway, which is a tech provider, they will provide the board with an overview and are seeking authorization to begin negotiations for a host agreement. Mr. Verney explained he will provide data service for a delivery operation of recreation product. There will be no product on site, most trucks will come out of Plymouth, MA and will provide recreational use delivery. Mr. Meyers explained there is required frame work to be established for delivery service. Mr. Verney completed the social equity training requirement. The cars, products and cash will be stored elsewhere, the location will be the home for the tech services. Currently there are no approved delivery licenses in MA. Mr. Verney explained he will be a delivery of retail sales. Chairman Connolly stated there are two retail locations in town, will you provide delivery service for them. Mr. Verney explained in the foreseeable future he hopes to partnership with local vendor. Selectman Dziokonski asked how the business practice will work, he gave the example of ordering an ounce of marijuana to be delivered to his home. Who is the contact, what dispensary is used, are there only certain ones with an agreement with your company, or does the consumer call dispensary directly to order. Mr. Verney explained there would be a choice of one partnership dispensary and the van would pick up at dispensary and deliver to your house, there would be two employees with body cameras on at all times. Mr. Meyers explained not in Clinton, the delivery would come from dispensary location. The discussion continued reviewing it is similar to a food delivery service. Selectman Kerrigan asked if there is compensation available for the public service impact in the host agreement. Mr. Meyers explained this will be the first in the state. Solicitor Gibbons explained that will be figured out. Chairman Connolly reviewed the manufacturers give a % of the sales tax. Mr. Meyers explained he didn't think that would apply here. Selectman Kerrigan made a motion to begin negotiations with SQ Causeway Cannabis Transportation Company. Selectman Boisoneau seconded the motion. Under Discussion: Selectman Kerrigan stated this is a great idea, he is aware of a lot of use for pain medication to home bound patients, this is a good service, it will work out as beneficial to both parties. The vote was unanimous. Mr. Meyers and Mr. Verney thanked the board.

### **Mary Backiel / Laura Taylor – 2020 Olde Home Day Event Postponement**

Chairman Connolly acknowledged Ms. Backiel and Ms. Taylor who were in attendance via zoom to discuss the postponement of the 2020 event. Ms. Backiel explained there are a lot of vendors contacting them regarding the status of the event. The committee's recommendation is to cancel. They explained under the current state guidelines it would be impossible to monitor the social distance and wearing masks requirements. She explained it should be considered to cancel. Chairman Connolly asked if that is the recommendation of the committee to cancel for the year. She explained she has spoken with the two largest vendors who have agreed to roll over the deposits to next year without a penalty. She reviewed when the committee was established there was \$20,000 funded to run the event, at this time the balance is \$13,000 and that isn't enough to host the event in 2021. There will need to be more funding provided to support the event. Chairman Connolly explained that is for another discussion at this time the board is reviewing the cancellation for the 2020 event. Ms. Taylor explained it is the recommendation from committee to reschedule the event, speaking with some of the park vendors they aren't sure there would be enough attendance if event held. All of the surrounding communities with like events have cancelled like the Sterling Fair, the postponed Boston Marathon date and the Bolton Fair. Selectman Kerrigan made a motion to cancel the 2020 Olde Home Day Event. Selectman Dziokonski seconded the motion. Under Discussion: Chairman Connolly explained it is necessary at this time to cancel. The vote was unanimous. Chairman Connolly explained the board is not prepared at this time for a discussion regarding funding, that discussion will be scheduled for a later time. He thanked Ms. Backiel and Ms. Taylor along with all the committee members for all they do for the town.

### **Lauren Nanof Discover Clinton – Clinton Business Assistance Update**

Chairman Connolly acknowledged Ms. Nanof who was in attendance via zoom. Ms. Nanof thanked the board and explained Discover Clinton Vice President Ms. Salwa was joining her in attendance as well. She reviewed she wanted to update the board on all that Discover Clinton has been doing to assist businesses through the pandemic. She provided clarification of Discover Clinton, it is a Business Coop that hosts the downtown events like sidewalk sales and Halloween Walk. In February a new board was established for the organization. They are separate from the town but work towards the betterment of the community, a new marketing business development subcommittee was established. The creation of this committee provided a lot of initiatives to the local businesses effected by the Covid 19. She reviewed the programs as a walking art show, a virtual tip jar, and establishment of Facebook listing of open restaurants. Also, Ms. Carnes provided Covid Conversations which were short interviews with local business owners highlighting their business, it has been very popular. A fundraising effort established was the signs of hope campaign raising funds for WHEAT and local first responders, \$1,100 was donated to WHEAT. The latest is the T-shirt project which will provide support to the Discover Clinton Small Business Relief Fund. They are shirts made at Corner Sports and are available to be customer made with business logos.

Currently, shop local signs are being distributed to local businesses reminding consumers to shop local. Selectman Devault thanked Ms. Nanoff and Ms. Salwa along with the members of Discover Clinton for staying involved during the pandemic, he is aware they have provided a lot of help to the local businesses during this time. Selectman Kerrigan echoed Selectman Devault, this is a partnership he has dreamed of for the community, he understands it came with a lot of challenges but is glad to hear of the success it is a great asset to the community. Chairman Connolly expressed thanks to Discover Clinton and its representatives for all they do for Clinton.

### **Albert Souza- Clintons Bar & Grille- Outdoor Seating Request**

Chairman Connolly explained the board has also received requests from the Simpleman and the Wrong Way Café for outdoor seating. He explained Community & Economic Development Director Phil Duffy is the next scheduled agenda item and plans to discuss this, he asked if the board is willing to continue out of order with Mr. Duffy.

### **Phil Duffy- Community & Economic Development Director**

#### *Restaurant Business Outdoor Service*

Mr. Duffy reviewed with the board as of Monday June 8<sup>th</sup>, Phase II of the Reopen Massachusetts plan will be implemented. This Phase includes the Executive Order 35 which includes guidelines and recommendations for the reopening of restaurants with outdoor seating only. The order allows for the municipality to create an application process and review the applications expeditiously. He reviewed the memo includes a review of the creation of the approval procedure. He recommends the board consider delegating Town Administrator Ward to approve applications for the interest of expediting the process. Key personnel to sign off on the application would be a Board of Health member, DPW Superintendent, and the Building Inspector. The plans must include a design for the proposed outdoor area, if tents or space heaters are being used, or if parking spaces are being used effective barriers are needed. Chairman Connolly stated he would like the Police Chief to be included to sign application as well, and he recommends a 30 day limitation to the area. Mr. Duffy reviewed the order includes a deadline of November 1, 2020. Chairman Connolly explained the timeline can be subject to modification of the town of Clinton at any time. He explained he agrees with delegating Administrator Ward to authorize applications rapidly. Mr. Souza stated Clintons Bar & Grille is planning to maximize its take out and outdoor seating, they are requesting to go all the way past the former Subway and use 6 to 7 parking places in front of restaurant. There is a need to maximize the outdoor use on good days, serving food and alcohol. Chairman Connolly asked how much sidewalk will be used. He explained the review by Administrator Ward and Mr. Duffy should review the availability to each facility, each having different issues. This is help businesses out without any negative impact. Selectman Dziokonski asked if the board should consider closing High Street for outdoor seating use, allowing for pedestrian use for the short period of time. Mr. Souza explained the town of Maynard did this and have been very successful. Chairman Connolly explained he will authorize the use of sidewalks and

parking spaces but there are other businesses that will remain open, the retail would utilize parking also. He explained people will want to use other businesses like the banks on High Street. Selectman Kerrigan made a motion to delegate Town Administrator Ward the authority to implement the expansion of seating with Town Counsel review for the next 90 days. Selectman Boisoneau seconded the motion. Under Discussion: Selectman Kerrigan reviewed this is a bad time for businesses but it is a good opportunity to come out of High Street with a plan to expand outdoor use. He thanked Mr. Duffy for bring forward and wished businesses good luck. Selectman Dziokonski suggested reviewing with other businesses if there could be a trial to close the street and expand outdoor seating on a Saturday evening. Chairman Connolly explained he would like to see the business get up and open outdoor seating on High Street which may include a trial date to designate the street closed. The vote was unanimous. Selectman Devault asked if the renovation project for High Street has been put on hold. Mr. Duffy explained no it will be completed in phases and begin on North High Street to minimize the impact at this time.

#### *Modification of Business Resiliency Program*

Mr. Duffy explained he would like to make modifications to the program he received approval for using \$150,000 from Community Development fund. To date \$102,075 has been expended providing 21 loans to 21 businesses, this protected 61 full time and 81 part time jobs, equating to a successful program. There are 4 applications that are outstanding. The first round of applications had guidelines that are limiting. He proposed 2 modifications, one to report loses from April 30 to June 30 and two allow self-employed individuals to apply, this will be self-contractors. Selectman Kerrigan made a motion to authorize modifications as presented reported losses from April 30 to June 30 and potentially expand eligibility for sole businesses. Selectman Dziokonski seconded the motion. Under Discussion: Selectman Devault asked if Mr. Duffy will have the flexibility not to limit economic development, deter eligibility subject to review. Selectman Kerrigan withdrew his motion. Selectman Devault made a motion to approve the modifications to the business resiliency program as presented, including the eligibility approval to Mr. Duffy and Administrator Ward. Selectman Kerrigan seconded the motion. The vote was unanimous.

#### *CDBG Micro Enterprise Assistance Program Funding*

Community & Economic Development Director Phil Duffy reviewed with the board an update on the CDBG Micro Enterprise Assistance Program. The program received CDBG approval of the amendment presented approving \$100,000 in funding. He explained there may be requests approved for grants up to \$15,000. There is a verification process for all applicants to meet the criteria of a Micro Enterprise as defined by HUD. Program will be ready by the end of month.

### *CDBG-CV Regional Grant Application*

Community & Economic Development Director Phil Duffy reviewed with the board through the CARES Act CDBG was provided an extra \$20 million in funds for entitlement communities, Clinton qualifies as an eligible community. The funding is to be used towards reorientation of businesses, updating how a business will operate under new guideline and to update online presence. The funding will be distributed in 2 ways to assist with rent or mortgage payments. This program is regional, qualifying applicants should contact RCAP Solutions out of Gardner for assistance to program, or contact Mr. Duffy. The program is to be used by lower or moderate income applicants. The second way for funding distribution is also being conducted regionally and is a competitive grant program through DHCD, this funding will be used for Social Services or Micro Enterprise Businesses. Mr. Duffy reviewed the town will apply with a regional application with Webster as the lead community. Clinton's application will be in the amount of \$115,000, \$50,000 to be used for Micro Enterprise and \$65,000 for Social Services for WHEAT to assist with food insecurities.

### *Environmental Consultant Contract Award for 172 Sterling Street*

Community & Economic Development Director Phil Duffy provided an update to the board regarding the environmental consultant contract award for 172 Sterling Street. He reviewed NSafe of Manchester have been selected to present a fee and scope of services needed, this will be paid for by Mass Development. environmental review test and monitoring to get the site rehabilitated. He will return at the next meeting with contract for boards review.

### **2020 Draft Annual Town Meeting Warrant**

Chairman Connolly explained members received a draft of the Annual Town Meeting Warrant for discussion and approval prepared by Administrator Ward. Chairman Connolly reviewed each Article asking for members to stop the review for discussion. He reviewed Articles 1 through 8 without any discussion. Selectman Kerrigan reviewed the amounts for Article 9 & 10 have been reduced to \$100,000 each, this was part of recommendations of the subcommittee meeting held with the Finance subcommittee. It is approved funding for the Health Insurance Trust Fund and the Stabilization Fund. Review continued with Articles 11 through 18. Selectman Devault asked about Articles 18 through 21 being capital projects for Facilities Department, were these going to be consolidated. Chairman Connolly explained the Splash Pad funding will remain separate as Article 18, Article 19 is funding for Field House repairs at Fuller Field will be funded through free cash and Article 20 will be removed and Article 21 funding for water fountain repairs will be funded through free cash. Articles 22 and 23 will be removed. Article 24 is \$100,000 to cover office relocation and updates to the phone system in the town hall will remain. The Finance Committee recommends funding through borrowing. Article 25 is funding for updates to Clinton Public Schools will be removed and included in Facilities Department budget. Article 26 funding for replacement of flooring to Clinton Public Schools will be removed. Article 27 is the request for additional Alcohol Licenses

for the town. Article 28 approval to remove the community from Civil Service will be removed, Chairman Connolly explained this is being discussed in Negotiations. Selectman Kerrigan made a motion to delete Article 28. Selectman Devault seconded the motion. Under Discussion: Selectman Kerrigan reviewed this will allow a good opportunity to talk with the union and move forward in good faith. The vote was unanimous. Article 29 is the approval of the Park & Recreation Commissioners replacing Fuller Field Commission members. Selectman Devault made a motion to remove Article 29. Selectman Kerrigan seconded the motion. Under Discussion: Selectman Devault stated the board appoints all members, it would work with 2 members of the Park & Recreation and 3 members of the current Fuller Field Commission. Chairman Connolly stated he is opposed to the motion, the proposed scenario does nothing to modernize the town. Selectman Dziokonski explained the past performance of the board over the past several years has been atrocious, he is opposed as well. Selectman Kerrigan stated nothing to do with personalities or past performance, best for town moving forward. Chairman Connolly agrees it is archaic method of managing property, it was proposed back in 1970 with the master plan presented at that time, it is best in moving community forward. The vote was 2 in favor Selectman Devault & Selectman Boisoneau and 3 opposed Selectmen Kerrigan & Dziokonski, and Chairman Connolly. Review continued with Article 30 Citizen Petition for funding to install new lighting at Vale Street. Chairman Connolly reviewed it has been discussed the previously approved funding for Vale Street project turned back \$177,000. The Finance Committee has recommended using the funding repurposing it to cover part of the lighting upgrade and to borrow the remaining to complete project. Selectman Devault asked was the prior funding approve with a ballot vote, how can the left over funding for Vale Street project be used. Solicitor Gibbons explained he will review if the funding can be repurposed, he isn't sure if it was a debt exclusion vote and if that falls under the statue. He is aware previous approved funding has been repurposed at town meeting. Selectman Dziokonski made a motion to repurpose the Vale Street Project remaining funding to be used for the upgraded lighting project, if debt exclusion vote allows if this cannot be extended without another ballot vote just move forward with the Citizen Petition as presented borrowing the full amount needed for project. Selectman Kerrigan seconded the motion. The vote was unanimous. The review continued with the addition of the Article approving the Selectmen's name to Select board, the Rail Trail Article, and prior year bills to be paid. Administrator Ward reviewed there is approval needed for funding to cover the MIA Property Insurance premium due in the amount of \$34,640.00. Also the addition of an Article to approve the DPW funding for the first year of contract retro payments for the first year. The Paramedic study is on hold at this time. Selectman Devault made a motion to remove the renaming of the board until next year, not the right time for it revisit next year. Selectman Boisoneau seconded the motion. Under Discussion: Chairman Connolly explained in fairness to Selectman Kerrigan the article should move forward it was supported at prior meeting if it wasn't it would have afforded the opportunity to submit as Citizen Petition. The vote was 2 in favor Selectman Devault and Selectman Boisoneau.

In opposition Selectman Kerrigan & Dziokonski and Chairman Connolly. Selectman Dziokonski made a motion to add an article supporting funding to the first year of the DPW contract. Selectman Boisoneau seconded the motion. The vote was unanimous. Selectman Dziokonski made a motion to add an article for unpaid bill authorization to MIIA in the amount of \$34,640.00. Selectman Boisoneau seconded the motion the vote was unanimous. Chairman Connolly reviewed the only outstanding article would be the implementation of the ALS study, after meeting with the Finance Committee subcommittee it has been recommended to go with a level funded budget which may possible be cut, the state aid numbers aren't going to be released until the end of July which is a concern. Selectman Dziokonski made a motion to approve the warrant as amended. Selectman Boisoneau seconded the motion. The vote was unanimous.

### **FY2021 Town Budget Update**

Chairman Connolly explained there is a conservative level funded budget prepared, it only includes increases that could not be avoided. This will allow the opportunity to go to town meeting with balanced budget without state aid numbers available, it includes some safety values. One safety is an increase to the reserve fund to \$250,000 to allow for the absorption consequences of possible cut to state aid, this would cover a cut up to 10%. He explained it is his recommendation to support the budget as submitted by the Finance Committee. Selectman Dziokonski made a motion to support the Finance Committee budget as presented. Selectman Boisoneau seconded the motion.

Selectman Kerrigan compared this year to double jeopardy finally the school was receiving increase to help offset unfunded mandates and now there is uncertainty with that. He thanked the Finance Committee for creating a balanced budget, this is the best we have moving forward. The vote was unanimous.

### **Administrative Business**

There was none.

### **Old & New Business**

#### Landfill Stage 1 Final Cover Construction Contract Award

Chairman Connolly acknowledged Superintendent of Public Works Chris McGown who was in attendance via zoom. Mr. McGown explained there was a bid opening conducted for the stage 1 final cover construction contract, which is a 10 acre closure about one third of the project. The lowest bid came in at \$1,456,414.00, which is below what the engineers estimate. He explained the money has been appropriated through previous town meeting articles and will be taken from the landfill reserve fund. The company he recommends awarding the contract to ETL Corp out of Stow, MA.

Selectman Kerrigan made a motion to award the landfill stage one final cover construction award to ETL Corp, in the amount of \$1,456,414.00. Selectman Boisoneau seconded the motion. The vote was unanimous.

### Candidates Night at Town Hall Auditorium on June 8, 2020

Administrator Ward explained he has received a request to host a community forum candidate's night with members seeking office in the upcoming local election. The Town Moderator is hosting the forum and is seeking a location to allow the participants to gather to film the event to broadcast through zoom. Selectman Dziokonski made a motion to approve the request as presented for use of the auditorium on June 8, 2020 to host a candidate's night. Selectman Devault seconded the motion. The vote was unanimous.

### Finance Committee Reserve Fund Transfer for Property Insurance

Administrator Ward reviewed he has prepared a reserve fund transfer request for property insurance in the amount of \$34,374.00. This is the amount need to cover the FY20 insurance obligation, he will seek the Finance Committee support to pay out all monies owed and be up to date on insurance obligations. Selectman Dziokonski made a motion to authorize the reserve fund request to cover the insurance balance due in the amount of \$34,374.00. Selectman Boisoneau seconded the motion. The vote was unanimous.

### Bond Anticipation Note Bid Award

Administrator Ward explained the Town Treasurer is seeking approval of authorization for borrowing. The amount for the temporary borrowing is \$2,168,000.00 to be used to cover expenses. The Treasurer has provided a list of projects the funding will be used to cover. He received a good rate from the bond advisor of 1% so there would be a small interest payment. Administrator Ward reviewed the borrowing will be through Newburyport Five Cent Savings Bank. Selectman Dziokonski made a motion to approve the authorization of borrowing of the BAN with Newburyport Five Cent Savings bank as presented. Selectman Boisoneau seconded the motion. The vote was unanimous.

### Town Meeting Location

Chairman Connolly asked for the pleasure of the board. Selectman Boisoneau made a motion to host the town meeting at the town hall, he explained it provides better access for the senior citizens and is a more adequate location. Selectman Kerrigan seconded the motion. Under Discussion: Selectman Dziokonski explained there was a lot of discussion at the prior meeting, he explained you cannot bar someone from the town meeting, and temperatures shouldn't be checked, it should be held outside. Selectman Devault stated the advice should be sought from the Board of Health on temperature checking, he was considering checking not to bar anyone from the meeting but have them sit in a certain area to isolate from others. He explained being outside would be the safest option. Chairman Connolly reminded the members the location of town meeting is outside the jurisdiction of the board. The guidelines are regulated by the Board of Health, they set the regulations. There are a bunch of unknowns, would the Town Clerk have the ability to manage all that is required of the office. He stated he

doesn't feel there could be adequate planning for a new site and he is opposed to a new location. The Town Moderator has the ability to change the location if he deems it acceptable. Selectman Kerrigan explained he has been working with the Town Moderator and Selectman Devault, they did a review of the town hall auditorium and determined every fourth seat could be used and a map to show where to sit. Working with Governor Bakers guidelines observing the 6 feet of social distance, the space will fill up quickly, consideration to reduce the quorum has been reviewed. This is a year to try new things, prior to the meeting perhaps the Moderator could review the warrant by video. Chairman Connolly reviewed the use of an outdoor venue may cause a delay for town meeting pending the weather, he also asked if the school department or the facility department had been contacted to confirm the area can be used. Selectman Devault explained the School Committee would approve the use request, he hasn't asked because a course of action has not been determined, once that is figured out he will have the direction to figure that out. Chairman Connolly ended discussion and asked the pleasure of the board. The vote was 3 in favor Selectmen Boisoneau, Kerrigan & Chairman Connolly and 2 opposed Selectmen Devault & Dziokonski. Chairman Connolly stated there are a lot of logistics to work out with the Town Moderator.

#### Cable Committee

Selectman Kerrigan thanked Selectman Devault, Town Administrator Ward, Cable Committee member Jeff Swann and CCTV Coordinator Eleston Simmons for all the work in making the meeting audible with zoom, a solution was found to the audio issue. Selectman Devault thank Selectman Kerrigan for his participation also. The board agreed.

Chairman Connolly reviewed the next meeting will be held on June 17, 2020, with Town Meeting on June 22, 2020 and the Town Election on June 29, 2020.

#### *West Ledge Estates Lighting Update*

Selectman Devault asked for an update on the request for street lighting at the West Ledge Estates, he asked Solicitor Gibbons if the letter went out to the contractor. Solicitor Gibbons explained he wasn't convinced it is the builder's responsibility once he began to research, there is a grey area. Chairman Connolly explained this update can be added to the next agenda for further discussion.

#### *Quorum Reduction Discussion*

Chairman Connolly stated on the next agenda will be a discussion on lowering the quorum, there is a bill in process to allow towns to lower the quorum to as low as 10% of the existing quorum. The lowering of the quorum requires a majority vote by the board and approval of Town Moderator.

Selectman Kerrigan made a motion to adjourn the meeting at 9:08PM. Selectman Dziokonski seconded the motion. The vote was unanimous.

Meeting Adjourned,

Joyce A. Corbosiero  
Executive Assistant to the Clinton Board of Selectmen/Town Administrator
